Concert Etiquette

Our students, your children, are being taught much more than music. As a part of their performance experience, we hope to teach them the proper behavior expected at a formal event, such as a concert. We would like to secure your help with this part of their education. If it become necessary to leave the performance hall, please do so between selections and as quietly as possible. We encourage applause at appropriate times and in a manner that reflects the formal atmosphere of a concert setting. Please be considerate of cell phone use and make sure ringers are turned off. Your help with these requests would be greatly appreciated and reinforce our teaching.
