Welcome

Good evening and welcome to the 2019 Canton City School District All City Strings Concert. This evening we will feature our elementary, middle and high school bands, in addition to several smaller ensembles.

To give our students the best, high quality performance opportunity we can, we ask that you please allow them to perform their music without interruption. These young musicians have worked hard on the music they will be sharing with you this evening.

We ask that you silence your mobile devices but do encourage you to take pictures and videos. The memory of this evening is something that should be shared with those that could not make it tonight.

Once a group is finished performing they will return to their homerooms to gather their belongings. It is encouraged that they stay to watch the other groups performing.

If you do need to exit the auditorium early we ask that you do so quietly and between songs so that it does not interrupt the students that are performing.

Thank you for attending this evening and supporting our young musicians!
