

The Canton City School District

All City Choir

March 3, 2020

Welcome

Good evening and welcome to the 2020 Canton City School District All City Choir Concert. This evening will feature our middle school and high school vocal ensembles.

To give our students the best, high quality performance opportunity we can, we ask that you please allow them to perform their music without interruption. These young musicians have worked hard on the music they will be sharing with you this evening and are excited to share it with you.

We ask that you please silence your mobile devices but do encourage you to take pictures and videos. The memory of this evening is something that needs to be shared with those that couldn't make it.

Once a group is finished performing they will return to their seats in the balcony.

If you do need to exit the auditorium early we ask that you please do so quietly so that it does not disrupt the students that are performing.

The Lord Bless You and Keep You

Peter C. Lutkin

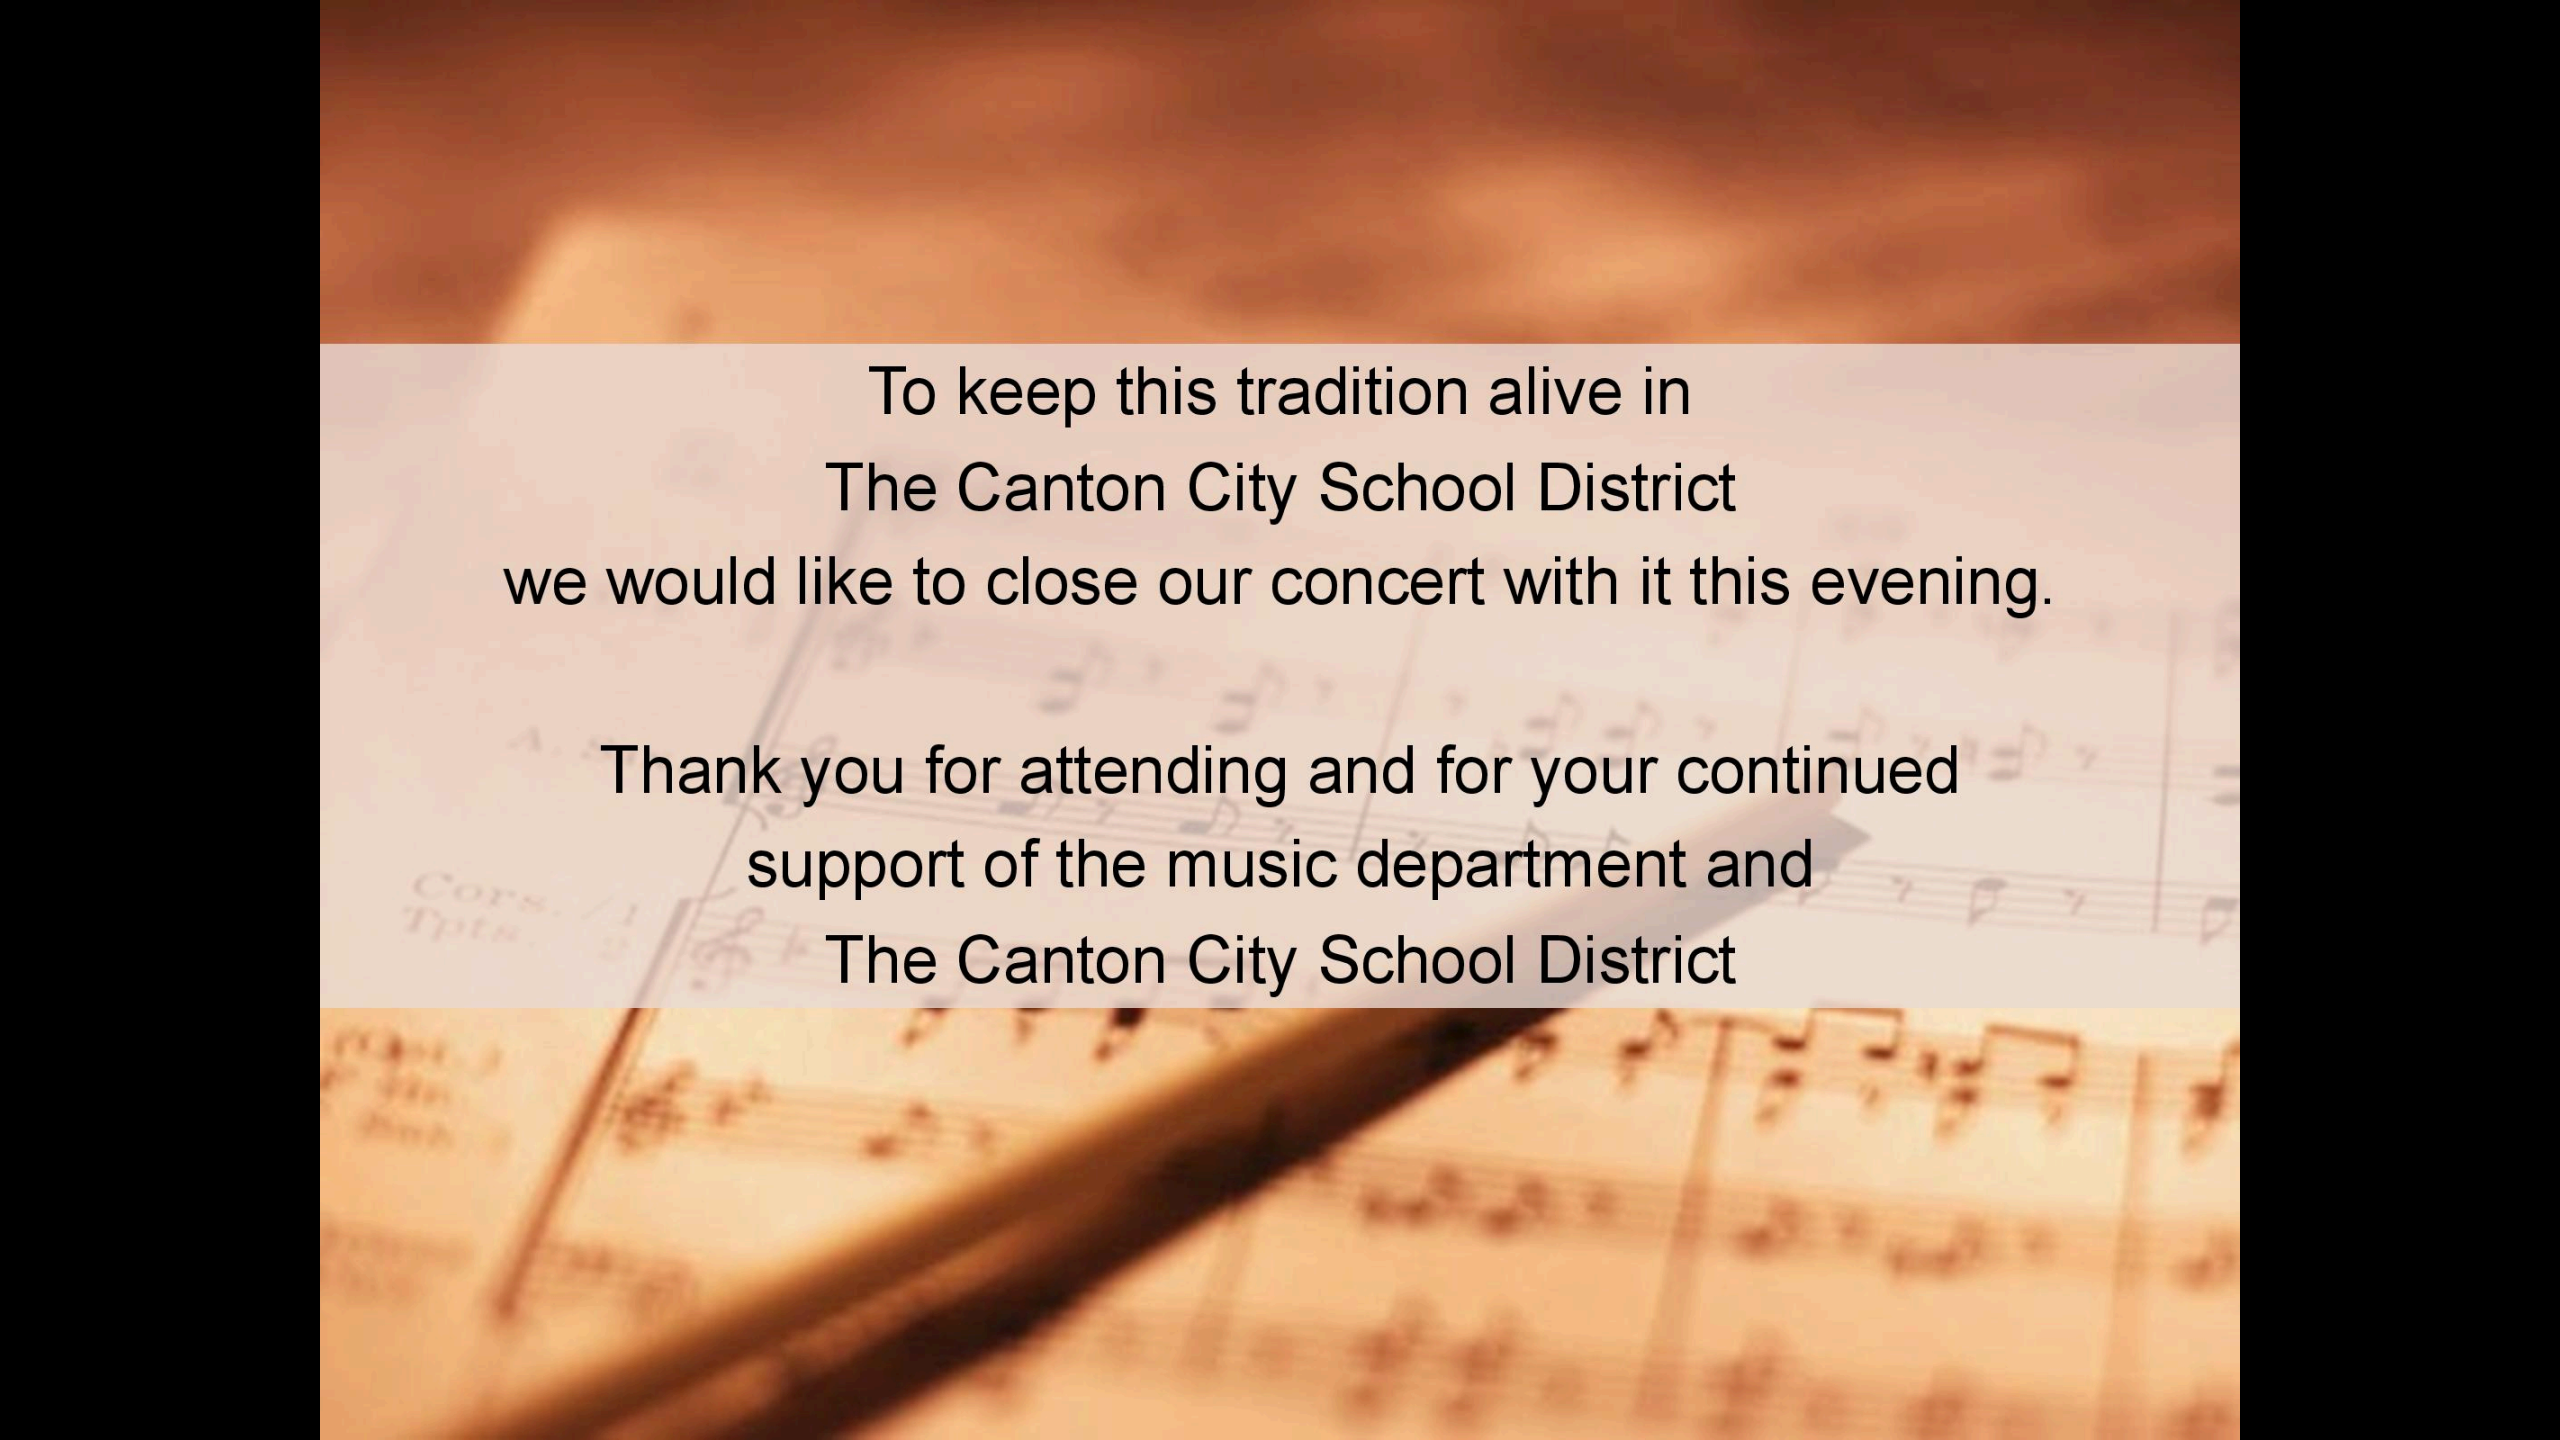

Edited by Ruth Heller

Originated by Ruth Cogan, former choir director at Lincoln and Lehman High School, this song has been used as a traditional concert finale for many years by schools across the country.

The background of the slide features a warm, orange-toned image of a musical score. A pen is visible, resting diagonally across the page. The text is overlaid on a semi-transparent white rectangular area.

To keep this tradition alive in
The Canton City School District
we would like to close our concert with it this evening.

Thank you for attending and for your continued
support of the music department and
