PRACTICAL NURSES' PLEDGE

"I solemnly pledge myself before God, and in the presence of this assembly, to faithfully practice my profession of nursing.

I will do all in my power to make and maintain the highest standards and practices of my profession.

I will hold in confidence all personal matters committed to my keeping in the practice of my calling.

I will loyally assist the physician in his work, and will devote myself to the welfare of my patients, my families and my community.

I will endeavor to fulfill my rights and privileges as a good citizen, and to take my share of responsibility in promoting the health and welfare of my community.

I will constantly endeavor to increase my knowledge and skills in nursing, and to use them wisely.

I will zealously seek to nurse those who are ill wherever they may be, and whenever they are in need.
