I will do all in my power to make and maintain the highest standards and practices of my profession. I will hold in confidence all personal matters committed to my keeping in the practice of my calling. I will loyally assist the physician in his work, and will devote myself to the welfare of my patients, my families and my community. I will endeavor to fulfill my rights and privileges as a good citizen, and to take my share of responsibility in promoting the health and welfare of my community.
