**Christmas** is an annual holiday celebrated on December 25 that commemorates the birth of Jesus of Nazareth. The date of commemoration is not known to be Jesus' actual birthday, and may have initially been chosen to correspond with either a historical Roman festival or the winter solstice. From the biblical description, most historians believe that His birth probably occurred in September, approximately six months after Passover. One thing they agree on is that it is very unlikely that Jesus was born in December, since the Bible records shepherds tending their sheep in the fields on that night. This is quite unlikely to have happened during a cold Judean winter.

Although traditionally a Christian holiday, Christmas is widely celebrated by many non-Christians, and some of its popular celebratory customs have pre-Christian or secular themes and origins. In ancient Babylon, the feast of the Son of Isis (Goddess of Nature) was celebrated on December 25. Raucous partying, gluttonous eating, drinking, and gift-giving were traditions.

In Rome, the Winter Solstice was celebrated many years before the birth of Christ. The Romans called their winter holiday Saturnalia, honoring Saturn, the God of Agriculture. This whole season was called Dies Natalis Invicti Solis, the Birthday of the Unconquered Sun.

Christmas as we know it today, and most historians agree, began in Germany. Catholics and Lutherans still disagree about which church celebrated it first. The earliest record of an evergreen being decorated in a Christian celebration was in 1521 in the Alsace region of Germany. A prominent Lutheran minister of the day cried blasphemy: "Better that they should look to the true Tree of Life, which is Christ."

We are very excited to have our Stomp Team perform tonight. The Stomp Team is under the direction of Lois Alison. She started the group back in 2005 at Lathrop Elementary. She took a group of 20 students including girls and boys and taught them the dynamics of Stomp. It took a lot of work, dedication, and discipline, but they prevailed. The Stomp team now performs at various venues throughout the district.

There are so many people involved in making a program like this one happen. We want to extend our appreciation to the custodial and cafeteria staff for your support. We also want to thank the administrative assistants and bus drivers who keep our schools running and get our students from home to school safely.

***Finally, a very special thank you for our FAMILIES who trust us with your children each and every day. You provide the support and encouragement that make a music program successful!***
